Spike Ste

**Spike Ste is a producer, musician and singer/songwriter.
His music ranges from the mellowest acoustic sounding songs to the weirdest experimental productions.**

He began playing the first notes at the age of 10 on his electric bass, and a few years later he decided to pick up his first guitar. At the age of 14 he wrote his first songs, meanwhile playing in his high school orchestra as a double bass player. Years later he worked as a double bass player in jazz projects, and as a remote music producer and musician as a freelancer. He continued his musical studies, obtaining a bachelor's degree in Urban Music Production in 2024.
He's currently writing new songs and gigging with great musicians.
